

Amendments to the Specification:

1. Please replace the paragraph beginning "There are a number of ...", on page 1 of the specification, with the following paragraph:

"There are a number of spreadsheet programs, one of the more prolific being MICROSOFT EXCEL ~~Microsoft Excel~~TM. These spreadsheet programs have a number of cells in rows and columns into which data can be input. Often the cells within the spreadsheet are related to each other."

2. Please replace the paragraph beginning "Figure 1 is a screen display...", on page 9 of the specification, with the following paragraph:

"Figure 1 is a screen display from a MICROSOFT EXCEL ~~Microsoft Excel~~TM program. This illustrates a group of data on a spreadsheet generally indicated by arrow 1 on the screen. The associated tab (2) indicates that the data we are looking at relates to "FBT Calc - Lease".

3. Please add the Abstract, which is included herein on a separate sheet.
